Dear Mayor Gary Pirkle,

The vision you have to establish a Sports and Medical Complex in the City of Sugar Hill is joined by us. The Regency Church of God is extremely proud for the hard work you do for our Community.

This complex will help people of all ages, especially the youth, giving them hope for a brighter future. This can only enhance the goals and possibilities for the young people in our Sugar Hill Community.

Please accept our thanks along with our prayers, for a job well done.

Best wishes,

Terry Reece, Senior Pastor
